

**SUBJECT: EXTENSION OF ACCREDITATION AND REGISTRATION FOR SKILLS DEVELOPMENT PROVIDERS (SDPs), ASSESSORS AND MODERATORS**

Dear Stakeholder,

This letter serves to advise Insurance and Related Financial Services stakeholders of the arrangements approved by the Insurance Sector Education and Training Authority (INSETA) regarding the extension of accreditation and registration end dates for eligible Skills Development Providers (SDPs), Assessors and Moderators.

These arrangements are informed by the DHET Circular titled "Implications of the Directive on the Implementation and Transitional Arrangements for Pre-2009 Qualifications, Trades and Regulatory Unit Standards", issued pursuant to Government Gazette No. 54858 dated 17 June 2026.

In order to support the continued delivery, assessment and quality assurance of learning programmes during the transition period, INSETA will implement the following measures:

INSETA will grant an extension of accreditation to eligible Skills Development Providers and an extension of registration to eligible Assessors and Moderators for a period of two (2) years, up to 30 June 2028.

The extension of SDP accreditation and Assessor/Moderator registration will not be applied on a blanket approach. Extension letters will only be issued to:

Skills Development Providers that are currently accredited with INSETA, Assessors and Moderators whose extension requests are submitted through an accredited SDP and supported by a valid Service Level Agreement (SLA) or proof of contractual engagement.

All extensions shall be granted at the discretion of the INSETA, taking into consideration the implementation status of occupational qualifications and related quality assurance requirements.

Decisions regarding the extension or lapse of SDP accreditation and/or Assessor and Moderator registration will be communicated at least sixty (60) days prior to the recorded accreditation or registration expiry date.

Any enquiries relating to SDP accreditation or Assessor and Moderator registration may be directed to: [Email: SibusisoZ@inseta.org.za](mailto:SibusisoZ@inseta.org.za)

INSETA is pleased to advise stakeholders that the process of issuing accreditation and registration extension letters will commence immediately, with an anticipated completion date of 15 July 2026.

Stakeholders who no longer require an extension of SDP accreditation or Assessor/Moderator registration are requested to notify the INSETA ETQA division in writing on or before 30 June 2026.

INSETA wishes to express its sincere appreciation for your continued commitment to skills development and transformation within the Insurance and Related Financial Services Sector. Your contribution remains critical in supporting the development of competent and capable professionals for the sector.

Yours faithfully,

Mr Sibusiso Zulu  
ETQA Manager
